**March 31, 2010**

**Dear ASP Members and Colleagues,**

The Society's 51st Annual Convention will be held from November 11 to 12, 2010, in Fort Ilocandia Resort, a five-star resort-hotel located in the heart of Laoag City, in the province of Ilocos Norte. The theme for this year is:

**Where There is Risk, There is Opportunity: Redefining the Limits of Actuarial Work**

For the past few years, the themes adopted by the Society have been about identifying and quantifying risks. This year's theme aims to focus on how the actuary can go beyond knowing what the risk is - how he can provide real solutions to the risks that were identified, thereby creating the value-add that the actuary needs to be able to differentiate himself in today's economy. In any field or area of interest, the theme sets the need to look at opportunities where risks have been identified - so the actuary can make himself be one of the primary individuals, if not the best individual, who can quantify these risks and determine solutions for them.

Regular registration will start on April 05, 2010, and will end on September 30, 2010. **Early Bird rates will be offered until June 30, 2010.** To register, please fill out the attached registration form and email to the ASP Secretariat <[actuarial@pltdsl.net](mailto:actuarial@pltdsl.net)>. For inquiries, please contact the ASP Secretariat at (632) 892-0693.

We have reserved seats with Philippine Airlines. Delegates who want to avail of the reserved seats must indicate so in the attached registration form. Since the number of seats is limited, we encourage you to register and pay early, because the seat reservations will be on a first come (with payment), first served basis. Those who want to make their own flight arrangements may check the PAL and Cebu Pacific websites.

We have also contacted GV Florida Transport, a tourist bus company that offers De Luxe and Super De Luxe buses that will take delegates to and from Laoag City. The bus fares are a lot cheaper than the plane fares. Bus arrangements will have to be handled by the delegates themselves.

We will regularly come out with convention updates. We thank you in advance for your participation in this year's convention. We look forward to a successful and enjoyable meeting in November!
