The Actuarial Society of the Philippines invites all interested parties to attend:

Philippine Financial Market Outlook

Background:

The Philippine Financial Market is a volatile investment environment. In order to operate efficiently in such environment, one must understand the key indicators: interest rates, PSEi, and formulate proper strategies in order to effectively manage the risks associated with the market. Knowledge in US and Europe key financial indicators is also important as the developments in these markets and economies directly impact the local financial market.

Objective:

To provide actuaries with the updates, trends and challenges that face the Philippine Financial Market

Who should attend:

Actuaries who are involved in the investment functions or those who invest in the local financial markets for their personal benefit.

Speaker:

Mr. Henry Joseph Herrera
Chairman of the Board
Prulife UK

Date and Time:

October 16, 2013 (Wednesday)
9:30am-12:00nn
