## EDUCATION AND ELIGIBILITY COUNCIL (EEC)

- Reviewed the “Equivalency Rules on Fellows of Foreign Actuarial Associations for membership in ASP” issued last March 2016 and recommended amendment to said rules by deleting CAS from the list
  - this is based on ASP’s thrust to have an education and examination syllabus that will develop actuaries in all practice areas (life insurance, general insurance, pension, health, social insurance, finance);
  - This is aligned with the recently approved recommendations of the EEC on the Examination and Education System of the ASP and the CAS Exams that were accredited for the exam requirements in ASP;
